

Supplementary material

1 Appendix 1.

2

3 Table A1. Museum data for the white-bearded manakin specimens in green plumage
 4 collected along the Magdalena River Valley and the Eastern Llanos in Colombia. Hyphen
 5 indicates absence of geographic coordinates in the specimen label. The data correspond to
 6 specimens of the ornithological collections held in Instituto de Ciencias Naturales de la
 7 Universidad Nacional de Colombia (ICN) and Museo de Historia Natural de la Universidad
 8 de los Andes, Colombia (ANDES).
